

HD 25 IFE

Products for Industry | Stereo Headphones

Cat. No. 005338

General Description

Featuring excellent audio quality and passive noise attenuation, the HD 25-IFE in-flight headphones ensure that passengers can enjoy music and entertainment programmes without being disturbed by engine or wind noise. A lightweight design, flexible headband and easily replaceable cables make the HD 25-IFE a rugged and service-friendly product. The swivelling earpieces fold flat for space-saving transport.
