PC 320

## PC 320

The PC 320 is an ultra-comfortable headset. Open-acoustic design lets in the air to keep the head cool – and together with soft, padded circum aural ear cups and headband is ideal for long gaming sessions.

It features the superb Sennheiser stereo sound and pro noise canceling microphone, as well as gaming-style design and must-have extras like automatic microphone mute and on-ear volume control.

### Benefits and features:

- **Superb Sennheiser stereo sound** - Sennheiser quality speakers deliver pure sound from games, movies and voice chat
- **Noise canceling clarity** – the pro noise canceling microphone reduces ambient noise for crystal-clear conversations with teammates
- **Soft-padded comfort** – CircleFlex™ ear cups ensure the ear pads rotate and adjust automatically to the user
- **Intuitive design** – the volume control is integrated in the right ear cup for quick access
- **Automatic microphone mute** – mute the microphone simply by raising the boom
- **Great for long gaming sessions** – the open-acoustic design keeps your head cool for hours of playing
- **Peace of mind** – thanks to the 2-year international warranty
